### **CAPT. ALEXANDER DIES SUDDENLY**

Capt. Charles Alexander, seventy-five years of age, died suddenly shortly after 2 o'clock this morning at his home, 400 Cochran avenue. He had been in failing health for the past many years but managed to get about until only a day or two ago.

For many years deceased operated sailing craft and later a steamer up the Satilla river. For a long time he stuck to his wind-jammer, the Feretta and later bought the steamer Howland from the Jekyl Island club which he put on the line and was reasonably successful.

Up to The News press hour, no announcement of funeral arrangements had been made.
