DEATH ENDED HIS PAIN-After Much Suffering Contractor W.H. Anderson Passes Away.

Mr. William H. Anderson died Friday at 6 p.m. at his residence on Mansfield street, after an illness of several weeks.

Mr. Anderson's death was the result of an abscess, from which he suffered much pain. For two days previous to his death, the end was expected at any hour.

Mr. Anderson spent the greater part of his life in Brunswick. His field of work as a contractor has extended over Georgia and Florida, and he has superintended the construction of many large buildings, among them being the Brunswick city hall. He was the owner of the valuable planing mill property at the corner of Mansfield and Gloucester streets, this city, and had large saw mill interests in this section of the state. He leaves a devoted wife and three children, Mr. William Anderson, now a prominent contractor in Florida, Mrs. T.F. Winter and Miss Mary Anderson.

His death will be deeply felt by a large circle of friends.

The funeral will occur today at 2:30 p.m., from the First Methodist church, Rev. Ed F. Cook conducting the services.
