

Edward Penniman

The Brunswick Pilot; Friday 4 January 1929; pg. 1, col. 4

E.A. Penniman, pioneer citizen and Confederate veteran, died at the City Hospital Monday morning after a long illness. Mr. Penniman was one of the best known men in this section having spent most of his 83 years of life in and around Brunswick. He probably held what was a record in Georgia for public office, having been county surveyor of Glynn County for over fifty years. Born in New York, Mr. Penniman came to Camden County as a young man just before the outbreak of the civil war. He enlisted in the Confederate Army and served throughout the war. He was active in his profession of civil engineer up to the beginning of his last illness about sixty days ago.
